

YPS Community News

2021-2022: Reconnecting for Our Future

Upcoming Calendar Events:

- January 3, First Day of 2nd Semester
- January 10, Governing Board Meeting – FFA Room, 6pm
- January 17, Martin Luther King Day—No School
-

NOTEWORTHY EFFORTS:

PTO Board members and volunteers for coming in to update Bulletin Boards during Winter Break!

Heather for untangling the twisted mess of a schedule for Jr and Sr High students! Her efforts helped add in a new Agriculture class and Learning Interventions for our Jr High students.

Stephanie for her continued efforts with the Auditor General's request for materials for 2019 and 2020.

Niki for coordinating a fieldtrip for our primary grades to see ADAWE at ASU-Gammage in person!

Bill Miller for joining our staff and for coordinating our Science Fair and providing quality learning for our Jr/Sr high students!

Fax: 928-462-3283

Please Come Share your Artistic or Creative Skill with YPS Students!

Young Public School is looking to enhance the traditional teaching/learning situation for all students. Our community is loaded with a multitude of individuals having knowledge and skills acquired over the years. Much of this knowledge, especially the creative/artistic type, can enhance the lives of our students. While YPS does not currently have staff to meet all creative/artistic needs of our students, we are hoping that some community members are willing to share their knowledge, skills, and passion with our students. YPS is working to develop short-term learning opportunities for students, lead by volunteer community members. YPS would provide materials and supplies to facilitate the event. YPS already has set up a location on campus to hold the artistic learning events.

If you are passionate about some creative/artistic hobby, skill, or knowledge and you would be willing to share with students, please contact the YPS office directly.

YPS students are enthusiastic about the possibility to learn something artistic or musical. We hope that you are willing to help make it happen! Please decide what you would like to share, contact the school, and let's enrich a child's life. Perhaps you can help a future world-famous artist or musician blossom! The creative side of our brains being engaged can strengthen the logical side of our brains, thereby causing stronger learning. Also, there is research which supports the notion that students tend to enjoy school attendance when there are enrichment opportunities available.

If you are passionate about some creative/artistic hobby, skill, or knowledge and you would be willing to share with students, please contact the YPS office directly at 928-462-3244.

SECOND QUARTER HONOR ROLL

Congratulations to these YPS students for their academic performance Second Quarter. Each student received a certificate to acknowledge their efforts!

PRINCIPAL'S LIST (4.0 GPA)

BUNCE, JACK CLEMMER, COLETON CLINE, COLTON
CLINE, COOPER JACKSON, CURTIS LIEBER, CORA

McNAUL-CAPPS, JOSEPH MEDLOCK, REBECCA
MORTENSEN, ELLA RECKER, JACE ROUTHIER, JESSE
SEELEY, BRONC SEELEY, BROOKLYN SEELEY, K.C.
SEIDEL, PAISLEY WINCHESTER, MATTHEW
ZIENKA, CORA LYNN

Great Job and keep up your focused efforts!

UPDATES

-We currently have 47 students in K-12

-The Governing Board has decided to spend some COVID Grant money to improve the Pre-school playground.

-The red brick HVAC installation is delayed, because we need an engineering study to ensure the roof can carry the load; the Governing Board has decided to spend some COVID Grant money to complete this facility's updates, which will include a new Distance Learning Classroom. We are still hoping to open the facility before summer.

Current Openings:

-Teacher: Jr/Sr High Science or Math

If you are interested in applying, please email Stephanie for an application: srider@youngschool.org

Position details have been posted at the school, around town, as well as on our website. If you are interested in working or volunteering with the us, please let us know.
